

Small local Pilbara building and construction company exceeding major clients' expectations

Based locally in Tom Price, with two large service yards in the light industrial area, Benco Group is an accomplished Pilbara building and construction company with a combined experience of over 50 years in the building, construction, civil, plumbing and electrical industries.

Benco Group has established itself as a professional, honest, and reliable building and construction company in the Tom Price, Paraburdoo and greater Pilbara region, servicing the domestic, mining, industrial, commercial and local government sectors. Benco Group's reputation is built on long-term client relationships and total commitment to delivering superior service, project management and client project goals and outcomes.

Health, Safety and Environmental Compliance is paramount to Benco Group's core business values.

Our vision is simple – to provide workplaces free from harm and supported by a culture which ensures that the safety of people and protection of the environment remains an absolute priority.

Benco Group's vision is to continue to operate locally in the Pilbara area delivering superior service, communication and workmanship to all its clients. Community involvement, growth and development are core values to Benco Group's directors, to ensure the sustainability of local businesses and give our clients the opportunity to utilise/support local contractors.
